<b>PROGRAM AIM</b>	<p>The Upper Room's mission is to provide people with the services and resources they need to live happier, healthier and more self-sufficient lives. We carry the vision to create a strong, vibrant and self-sustaining community where conflict and hunger, homelessness and poverty, ignorance and intolerance no longer exist.</p> <p>The Greater Derry Juvenile Diversion program empowers youth to make responsible decisions by offering an alternative to court intervention while holding them accountable for their actions. During the intake interview process, information is gathered to assess all aspects of the youth and his/her family. Consequently, we are able to create accountability contracts that not only repair the harm caused by the alleged offense, but can also address other risky behavior and/or issues that may contribute to the youth's poor decision making.</p>
